61. 参考例文:

*Dear Mr. Black,*

*I'm Lingling. My school asked us to make the one-day tour plan for you and we tried to make it best to your preferences, but I'm afraid we'll have to make some changes.*

*We'll visit a mountain village called Xucun, which is very famous for its old houses, fantastic sights and delicious food. I'm sure you will like it.*

*However, it will take us about 8 to 9 hours to go and come back by bike. Even if we set out at 7:00 a. m., we'll get there at about 11:30. Going around the beautiful, cultural places, including some old houses all with a history of over 500 years, will take us at least 2 to 3 hours. Having lunch (local food and drinks) takes another hour. What's more, it's very hot here in summer. So we think taking a bus there will be a much better choice.*

*Looking forward to your reply.*

*Best wishes.*

*Lingling*
