Good morning, everyone!

I'm glad to be here to talk about my habits. Everyone has good and bad habits. So do I. I get up early and never stay up late. I like sports, so I often do exercise. In class, I listen to the teacher carefully and take notes. After class, I'll finish my homework in time and do lots of reading every day. However, I often watch TV or play games for too long. I seldom help my parents with housework and I often eat junk food.

Good habits are good for my whole life. I think I should develop good habits instead of bad ones.

That's all. Thanks for listening!
