My habits

Habits play an important role in our life. Everybody has both good habits and bad ones. So do I.

I have many good habits. One of them is reading. It brings me fun, opens my mind and helps me make friends. Last year, I joined a reading club. We often shared ideas about the books we read. Later we became friends. This makes me happy.

As for bad habits, I don't like to tidy my room. So it's hard for me to find my things. That brings me lots of trouble. I'm going to put my things in different boxes.

Habits can help or trouble us. What will you do?
